

Dear Homebound Services Patron:

Good news! We are now able to offer homebound service to you, postage free. That's right, your books will be mailed to you and returned to us at no charge!

According to the United States Postal Service Policy I, patrons who need to use large print books, audio material, or descriptive videos because of a visual or physical disability can have materials from our library mailed and returned by you with no postage expense. This free postal service is provided by the US Postal Service to individuals who cannot use conventionally printed materials due to visual or physical impairments and the organization that serves them.

In order to meet the requirements and qualifications of the US Postal Service, you will need to complete the enclosed Homebound Services Library Application. To meet the requirements, the application must be certified by a proper certifying authority as listed on the form. However, if you experience any difficulties obtaining certification or have any additional concerns or questions, please contact the library at (321)633-1815 or (321)633-1810.

We look forward to continuing to provide excellent library service to you!

Sincerely,

Debra Martin

Homebound Services Librarian
