

## Brevard County Libraries Summer Reading Program 2022

### Explore New Depths Storytime Packet

Travel with us and discover some suggested reads, rhymes, fingerplays, and crafts centered around exploration and sailing.

All suggested reads can be found in the Brevard County Public Library System and are available to be checked out.

This packet consists of two fully developed storytimes: Babies & Toddlers, and Preschool. Each storytime can be used for any age though and are great for early literacy enrichment and education.

#### Why storytime?

- Literacy development starts early in life and is highly correlated with school achievement.
- Reading and storytelling with your child promotes brain development and imagination, teaches your child about language and emotions, and strengthens your relationship.
- You don't always need to read books! Try looking at picture books, singing rhymes and songs, or telling stories from your culture.

## Rhyme/Movement: Down in the Jungle

Down at the harbor early in the morn  
There's a big cruise ship blowing its horn  
With a honk honk here and a honk honk there  
That's the way it blows its horn (*pretend to honk a horn*)

Down in the harbor busy as can be  
There's a little speedboat racing out to sea  
With a vroom vroom here and a vroom vroom there  
That's the way it races out to sea (*pretend to race*)

Down in the harbor on the ocean floor  
There's a submarine leaving the shore  
With a dip dive here and a dip dive there  
That's the way it leaves the shore (*pretend to dive*)

Down at the harbor now I see a whale  
There's a little kayak getting splashed by its tail  
With a ker-splash! here and a ker-splash there  
That's the way it gets splashed by the whale (*pretend to row*)

## Song: Yellow Submarine

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines  
So we sailed on to the sun  
'Til we found a sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all aboard  
Many more of them live next door  
And the band begins to play

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

Full steam ahead, Mister Boatswain, full steam ahead  
Full steam ahead it is, Sergeant  
(Cut the cable, drop the cable)  
Aye-aye, sir, aye-aye  
Captain, captain

As we live a life of ease (a life of ease)  
Every one of us (every one of us)  
Has all we need (has all we need)  
Sky of blue (sky of blue)  
And sea of green (sea of green)  
In our yellow (in our yellow)  
Submarine (submarine, aha)

We all live in a yellow submarine  
A yellow submarine, yellow submarine  
We all live in a yellow submarine  
A yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

One jumps off! (*fold one finger down*)

Three jellyfish, three jellyfish, (*hold up three fingers*)

Three jellyfish sitting on a rock.

One jumps off! (*fold one finger down*)

Two jellyfish, two jellyfish, (*hold up two fingers*)

Five jellyfish sitting on a rock.

One jumps off! (*fold one finger down*)

One jellyfish, one jellyfish, (*hold up one fingers*)

One jellyfish sitting on a rock.

Zero jellyfish, zero jellyfish,

Zero jellyfish sitting on a rock.

One jumped up! Hooray! (*hold one finger down*)

### Home Supplies:

- an empty juice box with straw
- tape (clear, masking, or duct tape)
- a piece of cardboard box or paper to make a sail
- scissors

### Instructions:

1. Cover the straw hole with tape so water can't get in. If you use duct tape or masking tape, you can color your boat with markers.
2. Have an adult poke a hole in the top of the box.
3. Cut out a triangle or rectangle for a cardboard mast. Cut 2 holes in the mast and push the straw through.
4. Push mast through hole in the box. You can steady it with a bit of playdough or tape around the hole.
