Summer Reading Program 2022!

In this week's Teen Craft Packet, our theme is Oceans of Wonder! Create a Mason Jar Aquarium with items you may have around the house!

Craft Packets contain a list of supplies and instructions. These packets can be picked-up at any branch within Brevard County during the week of the related theme and are available for curbside service.

Mason Jar Aquarium

Supplies

Seashells

Plastic Aquarium Plants

Rocks

Gravel

Jar

Water

Blue food coloring

Figurine

Glitter (Optional)

Paint (Optional)

Directions

Add your plants to the mason jar, gradually adding in gravel to secure the plants in place. Finish adding in the gravel, then add any additional figurines or embellishments to your jar.

In a separate container filled with water, add blue food coloring until you're satisfied with the color. Pour gently into the mason jar. If you plan to use glitter, you can add it to the water now.

Close the lid of your jar. You may want to hot glue the lid shut for additional security. If desired, you can decorate the outside of your aquarium jar with paint as well.
