

RESOLUTION NO. 23-079

A RESOLUTION OF THE BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS ADOPTING A SCHEDULE OF ANNUAL RATES, ASSESSMENTS, SERVICE FEES, AND CHARGES, AGAINST ALL IMPROVED REAL PROPERTY WITHIN BOTH THE INCORPORATED AND UNINCORPORATED AREAS OF BREVARD COUNTY IN ORDER TO CONSTRUCT, OPERATE AND MAINTAIN A SOLID WASTE DISPOSAL SYSTEM; AND PROVIDING FOR INTEREST AGAINST DELINQUENT ASSESSMENTS ON IMPROVED COMMERCIAL PROPERTIES FOR THE COUNTY FISCAL YEAR BEGINNING OCTOBER 1, 2023.

WHEREAS, under the authority of Chapter 403.706, Florida Statutes, Brevard County has the responsibility and power to provide for the operation of solid waste management facilities to meet the needs of all areas of the county; and

WHEREAS, Chapter 67-1146, Laws of Florida, as amended by Chapter 70-594, Laws of Florida, authorized the Board of County Commissioners of Brevard County, Florida, to construct, operate and maintain a solid waste disposal system for the use and benefit of the inhabitants and municipalities of Brevard County; and

WHEREAS, said statutory authority granted the Board of County Commissioners the power to prescribe, fix, establish and collect fees, rentals or other charges for the use of said established solid waste disposal system and to pledge such revenues as security for the payment of bonds issued under said statutory authority for the construction of a solid waste disposal facility; and

WHEREAS, Florida Statutes, Section 125.01(1)(k) grants the Board of County Commissioners the power to provide and regulate waste collection and disposal; and

WHEREAS, the Board of County Commissioners of Brevard County, Florida, has enacted Chapter 94, Article III., Division 2., and Article IV., Division 2., Code of Ordinances of Brevard County, Florida, relating to the disposal of solid waste within Brevard County and to the mandatory imposition of an annual disposal special assessment, or service fee, against all improved real property within both the incorporated and unincorporated areas (benefit unit) of Brevard County to pay for the cost of providing a solid waste disposal system; and

WHEREAS, all improved real property within the incorporated and unincorporated areas of Brevard County receive a direct and special benefit from the services provided through the solid waste disposal system; and

WHEREAS, Chapter 94, Article IV., Division 2., Code of Ordinances of Brevard County, Florida, provides that on or before the fifteenth day of September of each year the Board of County Commissioners of Brevard County, Florida, shall hold a public

hearing for the purpose of adopting a schedule of annual rates, assessments, service fees, and charges to be imposed for the ensuing County fiscal year upon the owners of all residential and commercial improved property in both the unincorporated and incorporated areas of Brevard County; and

WHEREAS, said public hearing was set for August 22, 2023 at 9:00 a.m., in the Brevard County Government Center, Commission Board Room, Building C, First Floor, 2725 Judge Fran Jamieson Way, Viera, Florida; and

WHEREAS, notice of said public hearing was published in the August 2, 2023 and August 15, 2023 issues of the FLORIDA TODAY Newspaper, a newspaper of general circulation in Brevard County, Florida.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY, FLORIDA, that:

Section 1. SCHEDULE ADOPTED. The Board of County Commissioners does hereby adopt the schedule of Annual Disposal Special Assessments and service fees, effective October 1, 2023, through September 30, 2024, pursuant to the provisions of Chapter 94, Article IV., Division 2. Code of Ordinances of Brevard County, Florida, that is attached hereto as Schedule "A". ("Code" used hereafter shall mean "Brevard County Code of Ordinances").

Section 2. FINDINGS. It is hereby ascertained, determined and declared that:

- (a) Certain types of solid waste, because of the nature, cannot be disposed of at the solid waste disposal facilities maintained by the County according to normal operating procedures of the facilities and must be specially handled according to other approval criteria.
- (b) The operation and maintenance of a separately owned and maintained landfill for the disposal of such solid waste described in Section 2(a) above increases the county's capital and operations costs for the solid waste disposal program.
- (c) The annual disposal special assessment and service fees imposed against improved real property within Brevard County includes solid waste generated from improved real property.
- (d) The cost of the disposal of solid waste generated in construction, renovation or demolition projects, or new improvements on real property is not assessed when brought in by commercial or governmental entities.
- (e) The cost of disposal of debris and waste accumulated from land clearing and excavating from totally or partially unimproved real property is not assessed against such real property.
- (f) The cost of disposal of special solid wastes generated from improved real property within Brevard County is not assessed against such real property.
- (g) Since all improved real property within Brevard County is assessed or charged for the operation and maintenance of the disposal system in the County it would

be unfair to assess such property for disposal from illegal dumping on any real property located within Brevard County.

- (h) Since all residential improved real property within Brevard County is assessed for the operation of the Household Hazardous Waste Program it would be unfair to assess such residences any additional charges for recycled paint.
- (i) Solid waste generated outside of the boundaries of Brevard County will not be permitted to be disposed of at the Brevard County solid waste disposal facilities since the cost of the operation and maintenance of such facilities is assessed or charged against all improved real property within Brevard County only and not against properties outside Brevard County.

Section 3. RATE RESOLUTION DECLARED. This Resolution constitutes the Rate Resolution specified in Chapter 94, Article IV., Division 2. of the Code.

Section 4. DEFINITIONS. For the purpose of this schedule of Solid Waste Disposal Special Assessments the following definitions shall apply:

- (a) Improved Real Property: as defined in Chapter 94, Article I., Section 94-1., of the Code.
- (b) Square Feet: refers to the size of the buildings, structures, or other improvements located on improved real property.
- (c) Governmental Agencies: means all state, federal or local agencies or units of government located within the county, including, but not limited to, the school board of the county, housing authorities, all municipalities within the county, all special districts and municipal service taxing units with all or part of their boundaries within the county and any municipality or special district or other unit of government whose boundaries are not within the county but which is owner of improved real property within the county.
- (d) Billing Units: the number of units established per parcel of improved real property which, when multiplied by the applicable base, produces the solid waste disposal special assessment or service fee.
- (e) Solid Waste: as defined in Chapter 94, Article I., Section 94-1., of the Code.
- (f) Benefit Unit: All improved properties within the unincorporated and incorporated areas of Brevard County.

Section 5. CALCULATION OF DISPOSAL ASSESSMENT AND SERVICE FEES.

- (a) The property's classification shall be determined by the "Use Code" established by the Brevard County Property Appraiser in maintaining and classifying real property on the Brevard County real property assessment roll.
- (b) To determine the Solid Waste Disposal Special Assessment or Service Fee for all improved real property, the number of billing units for the property's corresponding classification set forth in Section 1 and Section 2 of this resolution,

Schedule "A" shall be multiplied by the applicable base billing unit set forth in Section 3 of this resolution, Schedule "A".

- (c) The method described in Section 4 of this resolution, Schedule "A", shall be used to determine the Solid Waste Disposal Special Assessment or Service Fee for (1) any commercial improved real property which commences to use the County's Solid Waste Management Facilities for the first time after October 1, 1998; or if, (2) there is not a commercial classification within Section 2 of this resolution, Schedule "A" that corresponds to the property's use and building size; or (3) the property has mixed commercial uses; or (4) the County determines that the commercial property has a different use than that shown in the Brevard County Property Appraiser's records; or (5) the owner of the commercial property can show that the commercial use classification which applies to the property is inequitable. Once the individual calculation of solid waste disposal special assessment or service fee method has been used, that calculation shall control, regardless of the applicable classification which may apply under Section 2 of this resolution, Schedule "A", if any. Any parcels billed according to the individual calculation method shall be charged for all debris brought in, whether on their assessment, service fee, through landfill charges, or as a combination of, as the billing method is based on actual weight or volume.

Section 6. INTEREST ON DELINQUENT COMMERCIAL ASSESSMENTS.

- (a) Effective October 1, 1999, for any lien recorded for assessments or service fees imposed upon/against improved commercial real property pursuant to this resolution, there shall accrue a simple interest rate of eighteen percent (18%) annually beginning on the date of the lien or past due date on a government agency service fee account. No release of lien shall be issued until full payment is made to the County for the original assessment or service fee, of the lien, the accumulated interest, and the associated costs of recording the lien and the release of lien, attorney fees, and other administrative costs.
- (b) Collection of assessments, service fees, associated interest, and costs (as provided for in subsection (a) above) shall be in accordance with Chapter 94, Article IV., Division 2., Section 94-236., of the Code.
- (c) Interest shall continue to accrue on the full amount of the assessment or service fee until the entire amount of the assessment or service fee, accumulated interest, and costs and fees as referred to in subsection (a) above are paid.
- (d) Until fully paid and discharged, or waived by law, such lien shall remain a lien equal in rank and dignity with the lien of county ad valorem taxes and superior in rank and dignity to all other liens, encumbrances, titles, and claims in, to, or against the real property involved.

Section 7. CALCULATION OF SERVICE FEES FOR TAX EXEMPT ENTITIES.

For properties owned by government agencies which are not included on the ad valorem property tax roll, but receive disposal services through curbside collection or container service, each unit will be billed for service fees annually pursuant to Section 94-232(c), Code of Ordinances of Brevard County, Florida or by general law. Service fees are to be calculated in the same manner and at the same base billing unit amount as the adopted special assessment rates in Schedule "A."

Section 8. SEVERABILITY. If any section, subsection, sentence, clause, phrase or portion of this Resolution is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion of this Resolution.

Section 9. EFFECTIVE DATE. This Resolution shall take effect October 1, 2023.

RESOLVED this 22nd day of August 2023.

Section 3. APPLICABLE BASE RATE. Pursuant to the provisions of Chapter 94, Article IV., Division 2. of the Code, as amended, the following schedule of Solid Waste Disposal Special Assessments and Service Fees is hereby adopted.

- (a) The base for residential improved real property is equivalent to \$66.48 per billing unit per year.
- (b) The base for commercial improved real property is equivalent to \$191.87 per billing unit per year.

Section 4. INDIVIDUAL VOLUME CATEGORY. Pursuant to the provisions of Chapter 94, Article IV., Division 2. of the Code, as amended, the following commercial individual volume category schedule of Solid Waste Disposal Special Assessments or Service Fees is hereby adopted.

- (a) An Annual Solid Waste Disposal Special Assessment or Service Fee equivalent to the appropriate category of commercial improved real property based on an individual determination of the estimated annual volume of all solid waste generated by the particular parcel of improved real property. The number of billing units for each parcel of improved real property is multiplied by the commercial base rate set forth in Section 3 of this resolution in order to determine the Solid Waste Disposal Special Assessment or Service Fee. The number of billing units is calculated as follows:
 - i. Regular Dumpsters, Open Top Roll-offs, and Gallon Cans - Billing Units are calculated by multiplying the total cubic yards by \$2.58 and dividing by the applicable base rate. For example, a 2CY dumpster being picked up twice a week is equivalent to 208 cubic yards per year. $208 * \$2.58 =$

$\$536.64/\$191.87 = 2.80$ Billing Units. The amount of the assessment or service fee would be \$536.64.

- ii. Compactors - Billing Units are calculated by multiplying the total cubic yards by \$10.43 and dividing by the applicable base rate. For example, a 2CY compactor being picked up twice a week is equivalent to 208 cubic yards per year. $208 * \$10.43 = \$2,169.44/\$191.87 = 11.31$ Billing Units. The amount of the assessment or service fee would be \$2,170.00 (rounding).
- iii. Gate Accounts and Compactors on Call - Tonnage is added to individual volume category parcels by multiplying the tonnage by \$32.62 and dividing by \$191.87 to get the Billing Units. For example, $7.8 \text{ tons} * \$32.62 = \$254.44/191.87 = 1.33$ Billing Units.

(b) The minimum Annual Solid Waste Disposal Special Assessment or Service Fee for commercial improved real property in this category shall be one (1) billing unit multiplied times the commercial base rate set forth in Section 3 of this resolution, Schedule "A".

(c) When a new land use classification code is established by the Property Appraiser, the Solid Waste Director will assign a category which best describes the expected solid waste generation.

(d) When there is a group of commercial condominium improvements, and the owners of record have requested the service charges be shared, the assessment or service fee will be prorated in accordance with the square footage of each unit within the complex based on the individual volume category.
