CHARTER REVIEW COMMISSION AGENDA REPORT

AGENDA	
Section	
Item No.	Proposal #6(1) & (2)

SUBJECT:	Municipal Ordinances vs. County Ordinances
Petitioner	Dr. Ron Bobay – Presentation by Dr. Michael Slotkin, F.I.T - 12/3/15 & Presentation by Thomas Rosenberg, Brevard County Budget Director – 12/17/15
Requested Action:	Wording changes as follows: “Municipal Ordinances shall supersede County Ordinances in the case of dispute except in the area of environmental protection”. Make other provisions in the Charter consistent with this change (i.e. no referendum required in the municipalities in the instance of environmental changes).
Summary Explanation & Background:	It is necessary to think regionally as we address our environmental challenges in the County. With 71% of the Lagoon contained within Brevard County, as one example, a County perspective is needed.
