It is an understanding between the management team of Brevard County Fire Rescue and the leadership of the Brevard County Professional Firefighters local 2969 that the following contractual article in the current and currently ratified rank and file agreement shall be applied in this manner:

Article 12.04 Physical Examinations:

The language in the opening paragraph citing "The examining physician shall be a licensed medical doctor qualified to provide professional medical expertise in the area of occupational safety and health and must provide the needed consistency required by O.S.H.A." and is interpreted by both parties as the "examining physician" nurses or nurse practitioners working for a company that is practicing under the license of a qualified medical doctor.
